**Ranked 2<sup>nd</sup> Fastest Growing Software Company in Texas  
Ranked 14<sup>th</sup> Fastest Growing Software Company in the Nation**

AUSTIN, TX – August 12, 2009 -- *Inc.* magazine today ranked ePsolutions No. 244 on its 28th annual Inc. 500, an exclusive ranking of the nation's fastest-growing private companies. In addition, ePsolutions placed No. 2 for the fastest growing software company in the state of Texas and No. 14 on the list of companies in the software category nationwide. The magazine's prestigious listing represents a comprehensive look at the most important segment of the economy—America's independent-minded entrepreneurs.

"If you want to know which companies are going to change the world, look at the Inc. 500," said *Inc.* editor Jane Berentson. "These are the most dynamic, fast-growth companies in the nation, the ones finding innovative solutions to problems, creating smart systems, and inventing products we soon discover we can't live without. The Inc. 500 list is *Inc.* magazine's tribute to American business ingenuity and ambition."

Making their first appearance on the list is ePsolutions, an Austin based software as a service (SaaS) company dedicated to helping Retail Electric Providers with their back-office, billing & EDI needs. With a rapid rate of growth of more than 889% over the past three years, ePsolutions is on target to become an even more dominant force in the software sector in the years to come.

"It's a great honor and achievement for ePsolutions to be ranked among the top 500 fastest growing companies on the Inc. 500 list," says Steve Langerock, Chief Executive Officer at ePsolutions. "It is truly a testament to our team's work in developing the most robust, automated customer life cycle management system in the market today. In this ever changing industry, it's critical to stay at the forefront of new regulatory and technological advances and we pride ourselves in consistently being the first to market with innovative solutions. Being included in the Inc. 500 list is, we believe, further validation that ePsolutions is leading the way in our industry."
